Lagos, Nigeria

ABOUT ME

I would say I am quite a motivated and dedicated Computer Engineering student, currently studying at Afe Babalola University

Ado-Ekiti with a passion for technology and a strong academic background, seeking opportunities to gain
Hands-on industry experience towards learning and contributing positively to real-world problems in any way I can. I am extremely enthusiastic about becoming a software engineer and looking for an opportunity to step into the industry. Also, when I'm not studying, coding or designing, I relish sketching in my leisure time.

Skills Proficiency

- Technical Skills
  - Mid-Level Experience
    - HTML PROGRAMMING
    - CSS PROGRAMING
    - GRAPHIC DESIGN
  - Entry Level Experience
    - GOLANG PROGRAMMING
    - JAVA
    - C++/C Language
    - UI/UX Experience
- Soft Skills
  - Self-discipline
  - Ethical Integrity
  - Teamwork and communication skills
  - Dedication
  - Leadership

Work Experience

- Haven360 Labs Intern (June 2024 - September 2024)
  I worked on writing APIs for Smartparrot AI, an AI for managing and scheduling social media. I also replicated the figma design for social media email post notification using http and css

Education

- **2022 - Present -** B.Eng Computer Engineering in view (June 2027) - Afe Babalola University, Ado-Ekiti, Nigeria
- **2019 - 2021** - Senior Secondary Certificate Examination - Asegun Comprehensive High School, Oyo, Nigeria
- **2016 - 2019** - Junior Secondary Certificate Examination - Stars Comprehensive College, Ibadan, Oyo, Nigeria
- **2013 - 2016** - Primary School Leaving Certificate - Pislib De Varsity Group of Schools

Certificatioins

❖ **Build A Bot (2024)**

Certificate of participation in the "Build A Bot 3.0" event by the Institute of Electrical Electronics Engineers ABUAD.

❖ **Basic space science workshop (2022)**

I completed a comprehensive Basic Science Workshop at ABUAD Space Centre. This intensive program delved into various facets of astronomy and space science, providing in-depth knowledge about the universe.

❖ **Junior Red cross certificate(2015)**

Junior Red Cross certificates at Pislib De Varsity and Penvil High School, Ibadan.

Voluntary Experience

❖ Created visually appealing and effective design solutions, including logos, social media graphics and a lot of event banner designs

❖ C++ programming intern class at Ceped Institute of Information and Technology (June 2023)

❖ Participated in a tech event organised by the Institute of Electrical Electronics Engineers

❖ Engineers(IEEE) ABUAD, where I gained experience on how to build a DC motor from scratch using Arduino IDE.

❖

Language

❖ English (Preferred and Comfortable language)

❖ Yoruba (Native language)

Interests

I'm currently enthusiastic about:

❖ Exploring emerging technologies

❖ Software Development Life Cycle

❖ participating in hackathons, and

❖ Continuous learning in computer engineering and related fields.
